Dear Council Members

I would be in favor of a range fee if we could be assured the monies are given back to the range and not into a general fund. I would also support if we paid but would not have to wait anywhere from 1 to 2 hours to get a bench to shoot. The waiting list averages from 1 hour to 2 hours wait time. I have left the range due to having to wait too long for a bench. Also, I would be in favor if the range was open for longer hours.

- Money goes directly back to the range upgrades and repairs of the roof, facilities, grass cutting, target stands in the ground need repair.
- No standby list and long waiting times
- Range open for longer hours
